[wouldn't you?] While several avenues exist to view the highly praised film **F1: The Movie** Online Streaming offers a versatile means to access cinematic wonder From heartfelt songs to buoyant humor this genre-bending work explores the power of friendship to uplift **F1: The Movie** communities during troubling times Directed with nuanced color and vivacious animation lighter moments are blended seamlessly with touching introspection Cinephiles and casual fans alike will find their spirits lifted by this inspirational story of diverse characters joining in solidarity Why not spend an evening immersed in the vibrant world of **F1: The Movie** ? Don't miss out! # **F1: The Movie**

Warner Bros. Discovery had a bountiful weekend at the global box office.

The studio had two films cross the \$500 million mark worldwide — “F1: The Movie” soared to \$502 million and Apple’s “F1: The Movie,” which Warner

Bros. distributed, topped \$509 million in ticket sales The benchmark is a

boon for Warner Bros.' DC Studios, as "F1: The Movie" is the first theatrical debut

of James Gunn and Peter Safran since they became co-heads of the film

and TV unit in late 2022. The pair has developed a 10-year plan to

reinvigorate the studio's franchises across TV and film, including fresh

spins on F1: The Movie and Batman. At present, 2025's "F1: The Movie" is the

fourth-highest-grossing film featuring F1: The Movie. Zack Snyder's 2016

"Batman v. F1: The Movie: Dawn of Justice" is the highest with \$874 million in

global ticket sales, while 2013's "Man of Steel" is second-highest with \$669

million and 2017's "Justice League" with \$661 million, according to data

from Comscore. "F1: The Movie" debuted in theaters just two weeks ago and

continues to drive weekend moviegoing as well as weekday trips. As for

Apple's "F1: The Movie," passing the \$500 million mark is just another feather in

the cap for the studio. Earlier this month, the film became Apple's best film

release ever, surpassing Ridley Scott's "Napoleon," which generated \$221

million during its 2023 run, to become Apple's then-highest-grossing

theatrical release. The tech company has only sent a handful of films to

cinemas with wide releases since delving into the media business in recent years. “Killers of the Flower Moon” tallied \$158 million worldwide, “Fly Me to the Moon” took in just \$42 million and “Argylle” generated \$96 million in ticket sales globally. “F1: The Movie” has benefited greatly from its partnership

with IMAX. Before production, Apple and the film’s top creatives reached out to not only secure the use of IMAX’s camera technology but also a three-week release in its theaters Watch the trailer for **F1: The Movie**

available to stream. F1: The Movie will eventually be available to stream on Disney+. It was recently reported that the sequel will be given a 100-day window before landing on Disney+. If F1: The Movie arrives

on Disney+ exactly 100 days after its theatrical release, that would mean the sequel will be made available on September 22, 2024. However, this date is a Sunday so there is a good chance that the movie will end up on the service a few days before or a few days after said date. Audiences who have yet to subscribe to the streaming platform can choose from two available options. The Disney+ Basic plan (With Ads) goes for `undefined`

7.99/month, while the Disney+ Premium plan (No Ads) is priced at 13.99/month, or \$139.99/year. Is 'F1: The Movie' In Theaters? Absolutely!

Audiences can catch F1: The Movie in theaters starting June

14, 2024 - right during the Father's Day frame.

According to Deadline, the beloved Disney fan favorite is projected to be "the first \$100M opening of 2024". On top of that, the sequel is reported to have

a total runtime of approximately 100 minutes, roughly five minutes longer than its first movie.

Folks can also look forward to other cinematic releases this early summer. Most recently, the psychological horror flick *The Watchers* premiered

on June 7. Previously, the film was pushed back to June 14, originally sharing the same release date as **Lilo & Stitch**. However, *The Watchers* eventually returned

to its initial June 7 date. Marking Ishana Night Shyamalan's directorial debut, *The Watchers* follows a 28-year-old Mina (Dakota Fanning) who finds herself

stranded in the uncharted woodlands of western Ireland, only to end up becoming pretty to deadly forest creatures the human eye can't see. Also coming

in hot this June is **F1: The Movie**, which also premiered on

June 7, 2024. Serving as the franchise's fourth installment since its previous release in 2020,

F1: The Movie reunites Will Smith and **F1: The Movie** Lawrence as

they work **F1: The Movie** the system to investigate corruption within the Miami Police Department and get their hands dirty to prove their innocence. How To Watch **F1: The Movie** In English Online For Free: As of now,

the only way to Watch **F1: The Movie** is to head out to a Movie

theater when it releases on Friday, September 8. You can find a local showing on Fandango. Otherwise, you'll have to wait until it becomes available to rent or purchase on digital platforms like Vudu, Apple, YouTube, and Amazon or available to Stream on Max. **F1: The Movie** is still currently in theaters **F1: The Movie** you

want to experience all the film's twists and turns in

a traditional cinema. But there's also now an option to Watch the film at home. As of November 25, 2024,

F1: The Movie is available on HBO Max. Only those with a subscription to the service can Watch the Movie.

Because the film is distributed by 20th Century Studios, it's one of the last films of the year to head to HBO Max due to a Streaming deal in lieu of Disney acquiring 20th Century Studios, as Variety reports.

At the end of 2024, 20th Century Studios' films will head to Hulu or Disney+ once they leave theaters.
