the cap for the studio. The tech company has only sent a handful of films to cinemas with wide releases since delving into the media business in recent years. "Killers of the Flower Moon" tallied \$158 million worldwide, "Fly Me to the Moon" took in just \$42 million and "Argylle" generated \$96 million in ticket sales globally. "Saiyaara" has benefited greatly from its partnership

with IMAX. Before production, Apple and the film's top creatives reached out to not only secure the use of IMAX's camera technology but also a three-week release in its theaters Watch the trailer for The Bengal files
