Star Road Widening

STATE STREET TO CHINDEN BOULEVARD

Public Comment Summary
August 18 - September 1, 2026

This project will widen and improve Star Road between State Street and Chinden Boulevard.

ENGAGEMENT HIGHLIGHTS

Participants were invited to review two concepts for Star Road at an in-person and online open house.

- **1,100** website visits
- **223** survey responses
- **143** in-person attendees
- **632** online meeting visits

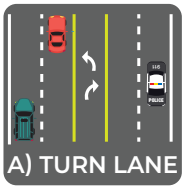

WHAT WE HEARD

The project team reviewed every comment from the public. A few key themes were consistent:

CONCEPT A SUPPORT

A higher level of support for Concept A – Center two-way left-turn lane.

Very supportive/supportive: 73% | **Neutral: 10%** | **Unsupportive/very unsupportive: 17%**

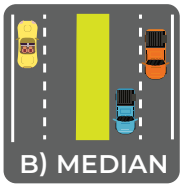

- Participants noted convenient access and increased traffic flow.
- Those who were unsupportive noted conflict points and risky driver behavior.

CONCEPT B OPPOSITION

Less support for Concept B – Center median.

Very supportive/supportive: 32% | **Neutral: 17%** | **Unsupportive/very unsupportive: 51%**

- Participants noted inconvenient access and dangerous U-turns.
- Those who were supportive noted safety and limiting access to improve traffic flow.

CONSTRUCTION IMPACTS

- Concern about traffic impacts during construction and desire to coordinate all construction in the area so multiple routes aren't closed at the same time.
