2025 **BOND** PROGRAM

PROPOSITION A
Street Improvements

PROPOSITION D
Downtown
Administrative Buildings

PROPOSITION B
Public Safety

PROPOSITION E
Libraries

PROPOSITION C
Parks & Recreation

PROPOSITION A \$136,995,000

Street Improvements

SOUTH COLLINS STREET (S Webb Ferrell to Debbie Lane) \$27,825,000

This funding would allow for the right-of-way acquisition and widening of South Collins from S Webb Ferrell to Debbie Lane from two lanes to four lanes along with the installation of curbs, gutters, drainage, streetlights and sidewalks.

RANDOL MILL ROAD (Cooper Street to Fielder Road) \$54,755,000

This funding would allow for the design, right-of-way acquisition and reconstruction of Randol Mill Road between Cooper Street and Fielder Road, along with installation of curbs, gutters, underground and floodplain drainage, streetlights, and sidewalks.

PLEASANT RIDGE ROAD (Plumwood to Enchanted Bay) \$12,600,000

This funding would allow for the right-of-way acquisition, and construction of Pleasant Ridge Road from Plumwood to Enchanted Bay the installation of curbs, gutters, underground drainage, streetlights, and a sidewalk. The design for this project was authorized in the 2014 Bond Election and is nearly complete.

RESIDENTIAL REBUILD PROGRAM \$10,000,000

This funding would allow for the design and reconstruction of residential streets in multiple areas of the City that have an overall condition index rating of 20 or below and are not funded by the sales tax for street maintenance.

STREET RECLAMATION \$16,475,000

This funding would allow for the reclamation of residential streets in multiple areas of the City that have an overall condition index rating between 0-50 (out of 100). These funds will be used to expand the existing street reclamation program that is currently funded by the street maintenance sales tax.

INTERSECTION IMPROVEMENTS \$5,000,000

This funding would allow for the design and reconfiguration of intersections at multiple areas of the City to address issues related to delay and safety at selected intersections. Improvements could include the addition of turn lanes or new traffic control.

PROPOSITION A _____ \$136,995,000

Street Improvements

SIDEWALK PROGRAM **\$2,750,000**

This funding would allow for the design and reconstruction of existing sidewalks that are in a condition that cannot be repaired with funds allocated in the current City budget, and the construction of new sidewalks and ramps to meet Americans with Disabilities Act (ADA) requirements.

SIGNAL/ITS ANNUAL PROGRAM **\$4,500,000**

This funding would allow for construction of traffic signals and other ITS (Intelligent Transportation System) devices such as electronic message boards and traffic management cameras, including Internally Lighted Street Name (ILSN) signs.

GRANT MATCH FUNDING PROGRAM **\$1,400,000**

This funding would allow for match funding for state and federal grants.

CONSTRUCTION MATERIALS TESTING PROGRAM **\$1,000,000**

This funding would allow for the testing of materials and methods during roadway construction.

IRRIGATION REPAIR PROGRAM **\$270,000**

This funding would allow for the relocation or repair of irrigation systems that conflict with roadway construction.

SURVEYING PROGRAM **\$300,000**

This funding would allow for required city surveying land related to capital projects.

ADA REVIEW AND INSPECTION SERVICES PROGRAM **\$120,000**

This funding would allow for required third-party review and inspections of capital projects for compliance with the Americans with Disabilities Act (ADA).

PUBLIC SAFETY TRAINING FACILITY DESIGN	\$5,700,000
This funding would allow for the conceptual design of a joint Public Safety Training Facility for Police and Fire staff.	
FIRE STATION #6 REBUILD	\$13,500,000
This funding would allow for the design, demolition, and reconstruction of Fire Station #6.	
FIRE EQUIPMENT REPLACEMENTS	\$15,800,000
This funding would allow for the procurement of six fire engines, two ladder trucks, one aircraft rescue and firefighting vehicle (ARFF), and one brush truck for the Fire Department.	
DISPATCH RADIO REPLACEMENTS	\$8,200,000
This funding would allow for replacement of obsolete dispatch radios for the Fire Department and a portion of the Police Department.	
OTT CRIBBS PUBLIC SAFETY CENTER IMPROVEMENTS	\$4,200,000
This funding would allow for improvement at the Ott Cribbs Public Safety Center, including plumbing fixtures, roof drain/downspouts, variable air volume heating, electrical panel/breaker replacement, fire alarm system, emergency lighting, detention equipment, and security cameras.	
EAST POLICE SUBSTATION IMPROVEMENTS	\$1,530,000
This funding would allow for improvements at the East Police Substation, including replacing the windows, exterior doors, roof, water heater, gas piping, HVAC, lighting, fire alarm system.	

PROPOSITION C

Parks & Recreation

\$9,345,000

DOTTIE LYNN RECREATION CENTER IMPROVEMENTS

\$4,545,000

This funding would allow for improvements at Dottie Lynn Recreation Center, including replacing windows, roof, elevator, water heater, sanitary waste piping, HVAC, electrical panel/wiring, lighting, fire alarm system, and exterior lighting (LED).

RIVER LEGACY NATURE CENTER IMPROVEMENTS

\$2,800,000

This funding would allow for improvements at River Legacy Nature Center including foundation repair, structural beam repair, exterior animal storage rehab, exterior siding, exterior doors, west window wall, roof covering, skylights, water heaters, air handling units, fluorescent lighting replacement, and fire alarm and emergency exit light replacement.

PARK INFRASTRUCTURE IMPROVEMENTS

\$2,000,000

This funding would allow for playgrounds, scoreboards, pavilions, bathrooms, exercise equipment, general furnishings, and LED light conversion at ballfields in multiple parks in the City.

PROPOSITION D

Downtown Administrative Buildings

\$3,105,000

CITY HALL MAJOR SYSTEMS REPLACEMENTS

This funding would allow for improvements at City Hall, including the replacement of HVAC pumps, hydronic radiators and piping, air handling units, variable air volume electric heating with ducting, fire alarm system, emergency lighting.

PROPOSITION E

Libraries

\$2,425,000

RON WRIGHT LAKE ARLINGTON LIBRARY IMPROVEMENTS

\$1,575,000

This funding would allow for improvements at Ron Wright Lake Arlington Branch Library, including foundation, windows/doors, roof, plumbing, HVAC, electrical wiring, lighting, fire alarm system, security system, parking lots, walkways, and exterior lighting.

SOUTHEAST LIBRARY IMPROVEMENTS

\$420,000

This funding would allow for improvements at Southeast Branch Library, including sanitary sewer/waste pipe system, HVAC, fire alarm system, and security system.

SOUTHWEST LIBRARY IMPROVEMENTS

\$130,000

This funding would allow for improvements at Southwest Branch Library, including the foundation, sump pump, and security system.

WOODLAND WEST LIBRARY IMPROVEMENTS

\$300,000

This funding would allow for improvements at Woodland West Branch Library, including the exterior doors, gas pipes, lighting and emergency lighting.
