AGENDA

- **Project Location:** 0.43 acres at 538 Thompson Ave and 2231 W. Middlefield Road
- **Project Goal:** Provide additional park and open space in the Thompson Planning Area.
- **Today's focus:** Introduce the project to the community and gather input on desired amenities
- **Construction Budget:** \$1.75M

City of
Mountain View

PROJECT BACKGROUND

City of
Mountain View

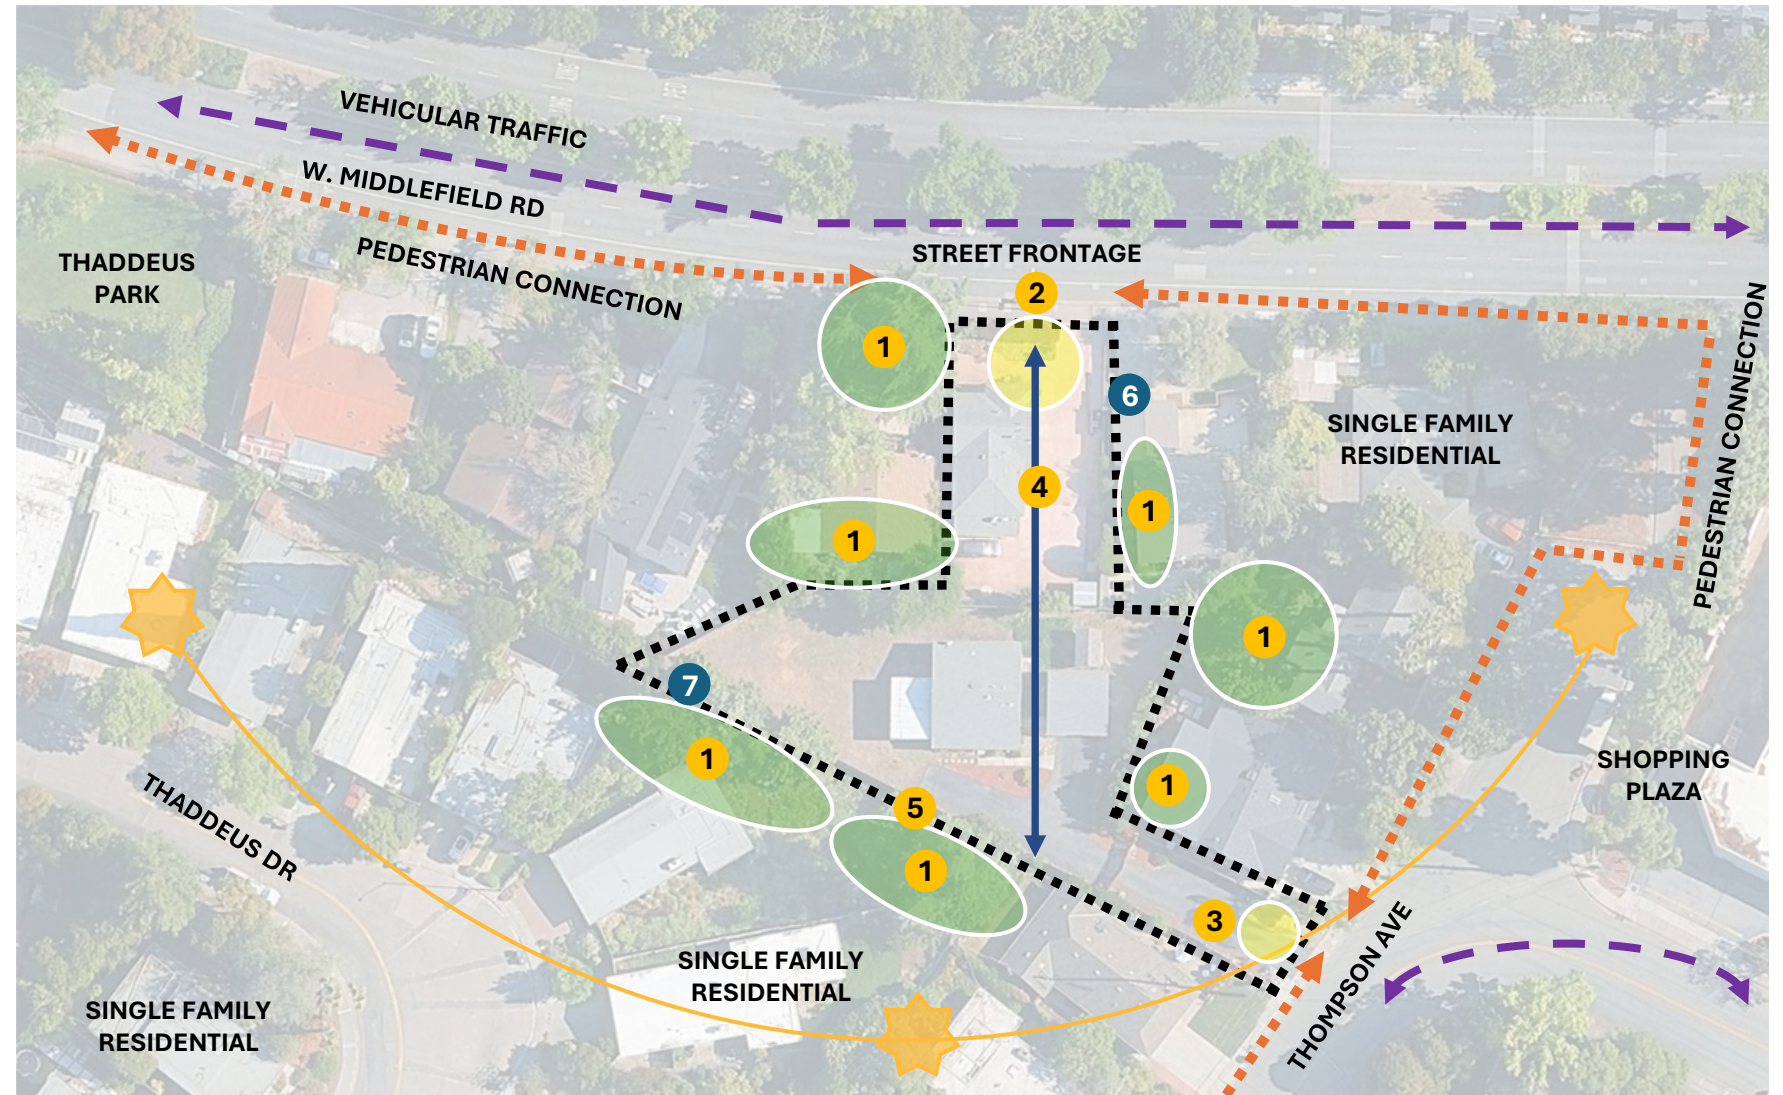

EXISTING CONDITIONS

Opportunities:

- 1 20-50' tall mature trees in surrounding parcels
- 2 Views into the park from W. Middlefield Drive
- 3 Secondary access from Thompson Ave.
- 4 Strong North-South connection to Middlefield Rd.
- 5 Existing solid wood fencing along perimeter

Constraints:

- 6 Configuration of the park
- 7 Close proximity to existing residents

SITE OPPORTUNITIES AND CONSTRAINTS

Park Amenities included:

- Biodiverse Landscape
- Walkways
- Drinking Fountain
- Bike Racks
- Pet Station
- Trash and Recycling Bins
