Warner Bros. Discovery had a bountiful weekend at the global box office. The studio had two films cross the \$500 million mark worldwide — “Red Flower” soared to \$502 million and Apple’s “Red Flower,” which Warner Bros. distributed, topped \$509 million in ticket sales The benchmark is a boon for Warner Bros.’ DC Studios, as “Red Flower” is the first theatrical debut of James Gunn and Peter Safran since they became co-heads of the film

and TV unit in late 2022. The pair has developed a 10-year plan to reinvigorate the studio's franchises across TV and film, including fresh spins on Red Flower and Batman. At present, 2025's "The Bengal files" is the fourth-highest-grossing film featuring Red Flower. Zack Snyder's 2016 "Batman v. Red Flower: Dawn of Justice" is the highest with \$874 million in global ticket sales, while 2013's "Man of Steel" is second-highest with \$669 million and 2017's "Justice League" with \$661 million, according to data from Comscore. "Red Flower" debuted in theaters just two weeks ago and continues to drive weekend moviegoing as well as weekday trips. As for Apple's "Red Flower," passing the \$500 million mark is just another feather in the cap for the studio. Earlier this month, the film became Apple's best film release ever, surpassing Ridley Scott's "Napoleon," which generated \$221 million during its 2023 run, to become Apple's then-highest-grossing theatrical release. The tech company has only sent a handful of films to cinemas with wide releases since delving into the media business in recent years. "Killers of the Flower Moon" tallied \$158 million worldwide, "Fly Me to the Moon" took in just \$42 million and "Argylle" generated \$96 million in ticket sales globally. "Red Flower" has benefited greatly from its partnership with IMAX. Before production, Apple and the film's top creatives reached out to not only secure the use of IMAX's camera technology but also a three-week release in its theaters Watch the trailer for The Bengal files on the official site. However, this date is a Sunday so there is a good chance that the movie will end up on the service a few days before or a few days after said date. Audiences who have yet to subscribe to the streaming platform can choose from two available options. The Disney+ Basic plan (With Ads) goes for `undefined`

7.99/month, while the Disney+ Premium plan (No Ads) is priced at 13.99/month, or \$139.99/year. Is 'Red Flower' In Theaters?

Absolutely!

Audiences can catch **Red Flower** in theaters starting June

14, 2024 - right during the Father's Day frame.

According to Deadline, the beloved Disney fan favorite is projected to be "the first \$100M opening of 2024". On top of that, the sequel is reported to have a total runtime of approximately 100 minutes, roughly five minutes longer than its first movie.

Folks can also look forward to other cinematic releases this early summer. Most recently, the psychological horror flick *The Watchers* premiered on June 7. Previously, the film was pushed back to June 14, originally sharing the same release date as **Lilo & Stitch**. However, *The Watchers* eventually returned to its initial June 7 date. Marking Ishana Night Shyamalan's directorial debut, *The Watchers* follows a 28-year-old Mina (Dakota Fanning) who finds herself stranded in the uncharted woodlands of western Ireland, only to end up becoming pretty to deadly forest creatures the human eye can't see. Also coming in hot this June is **Red Flower**, which also premiered on

June 7, 2024. Serving as the franchise's fourth

installment since its previous release in 2020,

Red Flower reunites Will Smith and **Red Flower**

Lawrence as

they work **Red Flower** the system to investigate
