

Public Comment Form Ashley Street Center Renovations

Interested parties meeting concerning design-build renovations to the Ashley Street Center, located at 1509 Ashley St. This meeting will be held Tuesday, July 25 from 5:30 to 6:30 p.m. in Conference Room 1C of City Hall, 701 E. Broadway. The preliminary concept plan is to renovate approximately 2,500 square feet of the existing 13,700 square feet of the former VFW Post 280. The renovations also include the addition of up to six each of showers, toilets, sinks, laundry washers and dryers. It also is to include modifications to the existing kitchen, exhaust hood and food service areas to comply with Health and Fire department safety requirements. Renovations will also include modifications and additions to the mechanical, electrical and plumbing systems to facilitate possible future programs at the facility. The overall intent of the project is to improve services to the City's most vulnerable populations. Feedback will be accepted through Aug. 3. Moreover, comments may be submitted by providing below or log on to:

<https://beheard.como.gov/ashley-street-center>

Thank you for your input.

Comments:

Thank you for all the great work going into renovating this facility. From what I know from volunteering at RAT and L&F, it seems very important that the two begin operating together this fall. Please prioritize the kitchen. Thank you.

Comments:

Showers & Laundry are so needed -

Turning Point's third floor facility makes it impossible for people with mobility issues to use showers, etc.

My primary concern is that the facility include kitchen space for Leavers and Fishes. Wilkes Church has offered generous hospitality for a very long time, and I fear that time is running out. Calvary parish has been serving at L & F for as long as it has been operational, so we hope to be able to continue in the next location.

Thank you for sharing the plan design. I hope you receive some helpful feedback.

A suggestion would be a short presentation or Q&A. It would be helpful to reassess progress and also open to suggestions/recommendations.

~~One suggestion~~

One ^{pre}suggestion is possible repair the professional stove and oven.

Comments:

As you work on the kitchen, if you take out the prep table, please replace. Please make sure all cooking appliances work safely. Looking forward to having showers, washers, dryers and a safe updated kitchen. I've worked @ Room at the Inn & look forward to other non-profits being able to use it to help our homeless population

Comments:

I am upset the city community ^{members} ~~leaders~~ were lied to about the moveability of the "mobile" showers. The showers need to be actually moved throughout the city instead of just parked @ Ashley Street. Stephanie Yokam implied they were ~~told~~ under the impression the showers would need to be @ Ashley St. @ least for next year bc they don't have the infrastructure/showers in the building. We were told @ Council they would be mobile & able to go to the encampments.

Comments:

CAN THE TRAILER WITH SHOWERS BE MADE
MOBILE? PERHAPS ANOTHER TRAILER WITH A
GENERATOR, A WASTE PUMP, A WATER TANK, ETC. WOULD
ALLOW THE TRAILER TO GO TO THE USERS
INSTEAD OF WICE-VERSA.
